January 29, 2027	**8:00 – 12:00**	**4**	**Effingham Police Department 110 S. 3rd St Effingham, IL 62401**

Course Description

This end user medical officer course will train police officers how to recognize signs of medical emergencies and better enable them to perform lifesaving medical techniques. This comprehensive training program integrates first aid, safety education, and the Stop the Bleed initiative, focusing on injury treatment and emergency care for accidents, injuries and sudden illnesses.

This course will also help officers stay current on the required Emergency Medical Response mandates each year.

Course Objectives

Class objectives include understanding:

- ✓ Application of basic life-saving skills
- ✓ Recognizing the signs and symptoms of medical issues
- ✓ Understanding the basics of CPR/ EAD practices (This is not a CPR/AED class)

Instructor

Trevor Honomichl is a Police Training Specialist for MTU 15. Trevor has over 30 years of law enforcement experience, which includes being the Assistant Team Leader on the Mesa, AZ SWAT team. Trevor is an Active Threat Master Instructor, and an instructor in numerous firearms, tactics and medical courses. Trevor brings his vast experience and knowledge to all of his classes.

Mandates Met by This Training

This course has ILETSB approval for the following mandates:

Emergency Medical Response.

This class is partially funded and certified by the Illinois Law Enforcement Training and Standards Board
